SPECIFICATIONS:

- + Classical pannier (pair) with roll closure in bright reflective colour
- + QL2.1 mounting system for racks with max. 16 mm tube diameter
- + Reduction inserts for tube diameters 8, 10 und 12 mm with anti-scratch function preventing abrasion on the rack
- + 20 mm hook available as separate accessory (e.g. for E-bikes)
- + PVC-free reflective fabric
- + Increased visibility when hit by headlights due to highly visible reflective fabric in neon yellow and black
- + Can be used individually or as pairs for the rear or front rack (low-rider)
- + Including integrated inner pocket and shoulder strap
- + Ideal for use on children's/youth bicycles
- + Highly reflective 3M Scotchlite reflector
- + Can be easily cleaned inside

Contents: Panniers come as a pair with shoulder strap, reduction inserts 8, 10 and 12 mm (each size 2 pairs)

Optional accessories: Carrying System Bike Pannier, Anti-Theft-Device (E124), Outer Pocket 1,8 L, Mesh-Pocket, Bottle-Cage, QL2.1 hook 20 mm

Attention: Maximum load per pannier is 9kg / 20 lbs. We recommend weighing each loaded pannier to confirm that the maximum allowance of the pannier fixation is not exceeded. This practice is advised for both rear and front panniers. CAUTION: The maximum weight capacity of every carrier model is different. Please observe the maximum weight allowance of the carrier fitted to your bicycle. Note: Sometimes the maximum capacity of the panniers fixing system can exceed the maximum capacity of the carrier. DO NOT exceed the maximum capacity of the carrier! Note, that the use of panniers will significantly influence the handling properties of your bicycle.

Note: In order to meet standard IP64 (6=dustproof, 4=protected against splash water coming from all directions) the roll closure must be rolled at least 3-4 times.
